

Shipping Policy

- All orders are shipped by the most economical method. Usually, this is UPS Ground. Items that exceed UPS size/weight restrictions are shipped by truck.
- Because of irregular sizes and weights of typical merchandise, shipping costs will be calculated at time of shipment and added to the invoice at that time. If a credit card is used for purchase, the shipping amount will be charged to the credit card.
- When an item is shipped by trucking/freight service (apart from UPS), for insurance purposes the client must inspect the contents while driver is in attendance for any broken or damaged goods.
- If your item arrives damaged, please keep all packaging. Unfortunately we cannot process a claim without the packaging.
